

# Swoop™ Portable MR Imaging System

## NATIONAL TOUR

*We'll come to you, wherever you are!*

EXPERIENCE IT YOURSELF.  
**THE WORLD'S FIRST BEDSIDE  
MR IMAGING SYSTEM IS  
COMING YOUR WAY!**

The Swoop™ Portable MR Imaging System is heading out on a national tour to give healthcare providers across the country an opportunity to experience the game-changing MR imaging technology first hand. Swoop™ wheels directly to a patient's bedside, plugs into a standard electrical outlet, and is ready to scan in under two minutes—expediting critical clinical decision-making for patients who don't have time to wait.

Demo at Your Door™ is part of Hyperfine's **Total Rethink Buying Process™**.
